GF COCO COYOTE

Date of Birth: 11/07/2016
Registration 1: 280360
Breeder: Deer Creek Longhorns
Owner: Rex & Sherese Glendenning

Courtesy of Eitan Barhum

This young cow got her name after being attacked by coyotes as a young calf. The attach damaged her horns, but her genetics are incredible and she is a great producer. We are very passionate about the care of our animals and very thankful she survived and has become a bonus to our breeding program.
