Honoring the Memory of
RED MCCOMBS & ALAN SPARGER

RM

*Forever grateful for their contribution to
the Longhorn Community and Breed.*

RM

Pictured is Classic, the 1 million dollar syndicated bull, 1984.

WELCOME

Welcome Longhorn Breeders & Friends

We vividly remember attending our first Fiesta Sale at Red McCombs Ranch back in the mid 80's when we first got started in the Longhorn business. The setting was somewhat surreal for a new breeder. With mariachi bands, margarita stations, and the thrill of top breeders in attendance some arriving by helicopter. It certainly left an indelible mark on both of us.

Well, some four decades later we honor the Legacy of Red McCombs by hosting the inaugural *Glendenning Fiesta Sale*. This event pays homage to the enduring friendship we shared with Red and the profound impact he had on the Longhorn Industry. A man that took a used car franchise and grew it to become a billionaire. A man that syndicated a white longhorn bull named Classic for a million dollars in 1984.

We hope that the *Glendenning Fiesta Sale* helps embody that same heritage and tradition passed down from Red for over 50 years. We greatly appreciate you being here and being a part of this event. We feel blessed to showcase the exceptional quality of cattle brought here by our sponsors and consignors who have DUG DEEP in their herds to bring you their best!!

Enjoy yourselves as we gather along the historic Shawnee Trail where hundreds of thousands of Texas Longhorn cattle were driven north to the railheads in Kansas serving as the new currency of Texas after the Civil War.

While here, please take the time to explore and enjoy the nearby attractions such as The Star in Frisco (Dallas Cowboys World Headquarters), the PGA World Headquarters and the adjoining District Entertainment Area. Additionally, indulge in the rich culinary offerings of Celina, Prosper, and Frisco, featuring favorites like Tenders Barbeque, Toasted Walnut, Anamia's, J Theodore, Mi Cocina and more.

We dedicate this weekend to honor the legacy of Red McCombs. A true Texas Icon, Legend.

God Bless,

Ray & Sherise

COMMENTS: OCV'd. Old school is the new cool! The very best of 3S Ranch, Red McCombs, and El Coyote breeding brought together to create Longhorn royalty in this little package. By the same sire as legends ECR Cactus Bloom, ECR Amor De Coyote and ECR True to Tradition and out of 103" TTT dam of the one and only 113"+ TTT 3S Danica. More than just guaranteed horn genetics, this family has length of body, conformation and are milk machines. I've watched 3S Touchdown Tari calmly stand and feed both her calf and Danica's calf at same time. This six week old heifer will sell at side of her recip mama. True black and ready to breed to the bull of your choice. Her dam has two maternal sisters who are both exceptional as well. One is sired by WS Vindicator and the second by HL Double Barrel. You'll also find a lot of twists in this pedigree. This heifer could be mated in so many ways to produce genetic diversity. Left open to breed to the sire of your choice.

COMMENTS: OCV'd. SR Clout's Inside Scoop 284 is a beautiful homozygous wild (E+/E+) brindle heifer with a feminine face, great conformation and promising horn growth. Her dam, PCC Golden Scoop, is sired by Gold Mine 1 and her sire is SR Clout 466. She's DNA parent verified through Neogen and her EPDs are on file as well. On the day of the sale, she will be one year, eight months and four days old. We have left her unexposed so that she may be bred to one of the best bulls in the breed... The one in your pasture! We are sure that the great genetics she carries will pair well with anyone's breeding program. On 10/24/2023, Inside Scoop was weighed, measured, vaccinated and wormed. Updated measurements to be announced at the sale. Inside Scoop is BVD-PI, Johnes and TB negative and Brucellosis free.

COMMENTS: OCV'd. This is the first Catch heifer ever offered to the public. She is a beautiful, correct, tall-bodied heifer. Her horns are pointed in the right direction and are already beginning to show a twist like her dam. CATCH, who needs no introduction, is out of Expedite and is producing tall, correct offspring that are showing a ton of potential. On the dam's side, she's out of the 94" TTT CV Casanovas Magnum. Her pedigree goes back to JP Rio Grande, Don Julio and Senator. I guarantee that she'll be the sweetest, most gentle cow in your pasture. She has been left open to breed to your favorite bull.

My granddam is Rex's Red Rose, that measured 105" TTT back in 2022. So you can see that I have a ton of horn potential to go along with the rest of my package. COMMENTS: OCV'd. What a future this girl has! Very solid built, colorful female with a great horn set. Her dam surprised us with her incredible production, so much so, that we went and re-bought her after we sold her, because we saw what she was putting down! BR Can't Touch This has a horn set that I really like. Correct base, with lateral horns and tips pointing back. She's a great example of what BR Cracker Jack is producing. Her dam is a full sister to BL Rio Catchit, so an understated way to bring in those explosive, equivalent genetics. Bred to BR Real Deal for another line to iconic producer, Jammin' Jenny. BREEDING INFORMATION: Exposed to BR Real Deal from 3/1/2023 to sale date.

COMMENTS: OCV'd. This M.C. Hangin' Tuff daughter has a chance to be one of his best! How many times do you have a chance to own a daughter from 100" TTT genetics from both parents? We know about 104" TTT M.C. Hangin' Tuff, but BR Forever and Ever's dam is AM Rose's Ruby, who's 102"+ TTT and is Hubbells 20 Gauge's longest tip to tip daughter. You want production? This is where it starts! Combining both Cowboy Tuff Chex and Hubbells 20 Gauge's best offspring into one genetic combination. Bred to BR Real Deal that brings in BR Cracker Jack and another line to AM Rose's Ruby. This calf will have a who's who pedigree.

BREEDING INFORMATION: Exposed to N8ive Legendz from 5/30/2023 to 9/30/2023.

COMMENTS: OCV'd. A very calm, quite cow with great disposition. Halo was a planned creation to stack up genetics from elite cattle. Delta Lucky Ace, Jest Dragging Iron, Drag Iron, LLL Lucky (top and bottom), Delta Lucky Lady and LLL Delta Dawn. We only have one LLL Delta Dawn heifer left after losing her. We have bred Halo to N8ive Legendz to bring in the exciting early horn growth from his dam and granddam, N8ive Dreamz and Native Beauty 50/50 and the late great Fifty-Fifty BCB! This pedigree has never been offered before. This is your chance at a powerhouse of genetics and to see what your bull can do with it!

BREEDING INFORMATION: Confirmed 5 months bred via palpation to Chico 86 on 10/19/2023.

COMMENTS: OCV'd. This stunning heifer is an explosion of color from both her sire and dam. G&L Painted Savage and RM Touch 'N Shadow PAT are two of the most interesting colored animals. Along with that color is some really nice early horn growth. She measured 61" TTT at 28 months and is starting to roll over. Other greats in her pedigree include Drag Iron and Super Bowl. She's confirmed bred to Chico 86, a Del Charro son and should calve Spring 2024.

COMMENTS: OCV'd. This one hurts to let go of. She measured 67" TTT at 2.5 years of age and has grown 10" TTT in the last six months. She could be mid to upper 70" TTT on her 3rd birthday. Her sire, dam and granddam are all 100"+ TTT and she appears that she'll be following suit. She gave us a beautiful bull calf from Rebel HR this past fall that we're watching as a sire prospect and we'll have her exposed back to Pacific Cowboy 40, whom is over 99" TTT and out of Cowboy Up Chex and RC Pacific Mermaid. Do not let this one pass you by. We are confident that her name will go down in the history books.

COMMENTS: OCV'd. One should not name their special heifers after their granddaughters, it makes it so hard to part with them. GF Winnie Marie is an excellent heifer. Long and deepbodied with very correct conformation, color, lateral horns doing exactly what they need to do and a sweetheart as well, just like our granddaughter! She's a daughter of the almost 90" TTT GF Buck Winn, son of the 90" TTT legendary Drag Iron and a beautiful cow out of 92" TTT AF Gun Slinger. Winnie is pasture exposed to one of our junior herd sires, GF Alphaizm, who has the 95" TTT Jamakizm's Alphie 4/8 cow 2x in his pedigree. This mating is bound for an extremely special calf. COMMENTS: OCV'd. Here's a large-framed, young female that has a very nice frame while maintaining her femininity, with an amazing black and white coat, lateral horn direction and solid build. One of her maternal half-sisters sold for \$10k at the Oregon Trail Sale in 2023 and another JBR Net Worth daughter, out of the dam's full sister sold for \$17k at the Bluegrass Sale last Spring. We have high hopes for this beautiful heifer with her unique color and lateral horn direction. COMMENTS: OCV'd. As a salute to the Glendenning's for resurrecting the beloved Fiesta Sale, we're offering the finest heifer ever raised by HH Cattle Co. HH 100 Roses' pedigree is loaded with familiar names. Her dam, Wrought Iron Rose SS, will measure over 90" TTT by sale time and was the highest selling heifer (\$39,500) at the 2021 McCombs Fiesta Sale. Wrought Iron Roses' sire is the highly honored Drag Iron (90" TTT). HH 100 Roses' sire, Century 100, is a product of the legendary 113" TTT 3S Danica and the 90" TTT HH Samurai. Samurai's dam is the 95.5" TTT JMK Flash of Bonai. We're retaining her dam, full sister and daughter to ensure these terrific genetics remain in our herd.

COMMENTS: OCV'd. In many ways this sale is a new one, yet a continuation of the Fiesta Sale with Alan Sparger and Red McCombs. In honor of Alan, we picked a heifer that is out of one of his best cows, 3S Mellow Touch. A beautiful twisty horn 85" TTT female that goes back to Touchdown of RM. Her sire, Rio's Voomerific, is a bull that Alan and Mike Davis partnered on and called him "The Beast," who had great Tallgrass breeding. This is a very special genetic and sentimental heifer who's nothing but calm. She's most likely bred to a great young bull called Silver Leighman, who's black and gray with 85" TTT as a 3-year-old. His sire is CV Call of Duty and his dam is Alemdia Leigh, who's an 89" TTT black and white cow and also the dam of Silver Heart, who's 105" TTT at only 5 years of age... Silver Mellow is a sweetheart.

COMMENTS: OCV'd. It's hard to let this one go! GF Lady Fire is sired by Lawman, a son of the 92" TTT AF Gun Slinger and the great 90"+ TTT Super All Over cow that sadly is no longer with us. Her dam is a fantastic Drag Iron daughter who goes back to Tejas Star on the bottom. This is a genetic package everyone needs in their program. BREEDING INFORMATION: AI'd to MC Hangin' Tuff. Then exposed to HL Ghost Rider from 3/1/2024 to 5/1/2024.

COMMENTS: OCV'd. We couldn't have thought of a better cow for the first Glendenning Fiesta Sale than an own daughter of Rex's favorite cow, RJL Icy Trail. Hil5 She's A Dandy is a large-framed cow that's put together very well, standing on great feet and milking even better. This is a hard cow for us to turn loose of, but we have two replacements at home. Her production is just getting started, let her go to work for you. We can't wait to bring Dandy to Celina, but for now check her out at www.HetlandHorns.com.

BREEDING INFORMATION: AI'd to PCC Midas Touch on 1/20/2024.

COMMENTS: OCV'd. This female is absolutely stunning in person. She is a 90"+ TTT, 1,400 lbs., with amazing conformation. Her sire is also the sire to Craft Ranch's Rex's Red Rose (105" TTT). He also sired several other huge-horned and large-framed daughters. On the dam side, you'll see Allens 83, who sold for \$68k several years ago and she's a maternal half-sister to Phenomenal Dorthy, who sold for \$100k. We're retaining a natural daughter and a few embryo calves to keep this line of cattle strong in our programs. We will have her AI bred to PCC Midas Touch. BREEDING INFORMATION: Confirmed bred to Hubbells Butch Cassidy. Exposed to Heart Breaker from 1/1/2024 to sale date.

COMMENTS: OCV'd. This is one of the most unique animals in the breed, she's the longest triple twist cow in the world at 96"+ TTT. There are five great generations of black cattle in her pedigree, starting with her dam, Norma Rae Leigh, and all the way to Headliner and Overhead. Her color is gray and tan with a black switch. She's had five daughters, we own four of them and Ann Gravett owns one as well. Her bag is perfect, her disposition is off the chart calm and she has zero flaws. There are no embryos out there, so her genetics have been preserved for the new buyer(s). We had her preg checked in early December and she was confirmed bred to the colorful Hubbells Butch Cassidy (86" TTT), with all the Van Horne genetics of 90"+TTT females. One of a kind. Best cow we own.

COMMENTS: OCV'd. A beautiful young daughter of the great Tumbelina BCB, who measures 99.5" TTT. Her dam's paternal brother, Bucklehead BCB, is the longest-horned steer ever measured, 145" TTT. Her sire's dam, the beautiful BL Lady Grate 982, measured 94" TTT. Her grandsire, Cowboy Tuff Chex, is the Guinness World Record Holder for longest horn spread on a bull and now measures 104" TTT. You can see the strong and predictable genetics top and bottom. She's also a good milker, no trouble to handle and can keep her weight even in the winter months. We're keeping a sister and daughter of hers to replace her. She's bred to our brindle Fifty-Fifty BCB son, Whiskey Bent BCB, for a spring calf. All of her calves are Millennium Futurity eligible. COMMENTS: OCV'd. This was a difficult decision. TLS Gingersnap is a beautiful, young cow who had her first calf, a heifer, this spring. She proved to be a wonderful mother and has raised a big, healthy daughter. We'll be retaining this heifer, but she's being exposed to KDK Wildfire and should either have a calf at her side for the sale or be heavy bred. COMMENTS: OCV'd. Horseshoe J Inspired is a big-bodied cow with correct conformation and lots of bold color. Her stellar pedigree stems from the infamous 106" TTT Cowboy Tuff Chex genetics on the top and Cowboy Catchit Chex on the bottom. This means 2x those the genetics of the longest horns in the industry. Even better, her offspring boast her flashy color and conformation, plus are knocking out lateral horn! Her 1st was a Pacific Cowboy 40 bull calf who won two bronzes at the 2022 HSC and is 83.5" TTT just before his 3rd birthday. Her 2nd bull calf was sired by Powerwagon and he measured 46" TTT at 15 months. On 12/8/2023 she measured 78.5" TTT and 108.37" TH. BREEDING INFORMATION: Exposed to Pacific Cowboy 40 from 6/1/2023 to 8/28/2023.

COMMENTS: OCV'd. 2JB Cocaine Lady has become a household name within the Longhorn industry. 6CR Cocaine Lady Tex has a 3/4 sister that was 89.75" TTT three weeks after her 4th birthday. We're retaining two sisters in our herd as well as Cocaine Lady herself. A granddaughter of Cocaine Lady, HL Adored, sold at the Fort Worth Stockyards Sale for \$102k and was 93.25" TTT on her 4th birthday. So much twist in this line of cattle! On the top of her pedigree, you will find Cowboy Tuff Chex, BL Rio Catchit, Eternal Diamond, ECR Eternal Tari, and Texana Garland's Gal. She sells bred to Pacific Cowboy 40 for a Spring 2024 calf.

COMMENTS: OCV'd. Rhea is a stunning cow with brindle color that is very desirable and hard to produce. 90" TTT Drag Iron, CV Cowboy Casanova and the 91"+ TTT Lady in Red on her top side, on the bottom she goes to Cowboy Up Chex, JP Rio Grande and the 100"+ TTT BL Rio Catchit. This young lady is the sweetest with great disposition, eats cubes out of your hands, built with nice conformation, beautiful brindle color and her horns are fantastic. Front pasture beautiful animal, one of those you say "WOW" when you see her. This is a great opportunity to bring in genetics everyone needs in their program. She sells bred to RJF Cowboy Reb, son of the 106"+ TTT Cowboy Tuff Chex, and out of the \$140k, 92" TTT HR Awesome Reb, daughter of the great Rebel HR. This is going to be an exciting calf. COMMENTS: OCV'd. Well this hurts! Hicks El Sun Shine is not only the oldest WS Hydro daughter, she's the biggest horned. She cruised past 90" TTT shortly after turning six, while also having some of the most picturesque twist in the breed. She has the WOW color and a perfect udder, plus she's a heifer producing, super fertile cow. It would be easy to write a novel about all the great things about her! Her pedigree is loaded with greats, plus she's a total outcross to the Cowboy Tuff Chex/Catchit Chex lines. She's given us two exceptional heifers that we are keeping, so we can offer you this superstar, who's bred to JH Lightning In A Bottle, the first black and white 90" TTT bull and the most dynamic black and white bull in the breed. www.DCTCattle.com.

We cannot say enough good things about her, her maternal line and what they produce. Golden Dot is going to be right up there with them! Complete all around female, a great mother and milker. Her first calf was a knockout heifer we are retaining. COMMENTS: OCV'd. Jungle Annie is the biggest Tip to Tip daughter of Bwana Chex. Bwana is a full brother to BL Swahili, the queen of the Loomis program. On her dam's side of this pedigree, you will find Bandara Chex, who's the sire to Fifty-Fifty BCB. His dam is Poco Lady BL, who's also the dam of Lady Monika BL. Jungle Annie's maternal granddam doesn't disappoint either! Her dam, Annie Get Your Rifle BCB had an amazing career for the Bolen's. BREEDING INFORMATION: Confirmed 4 months bred on 12/15/2023 to LBR Thunderstruck via ultrasound with a heifer calf.

COMMENTS: OCV'd. This one hurts to let go of. HL Lizzie Ann has been a staple of my breeding program and the direction I've been wanting to go ever since she stepped foot on my place. What's not to love with her \$100k sire, WS Vindicator, throwing in Tejas Star, WS Sun Star and WS Jamakizm, which is just the top side. On the bottom we are going back to RHF Sharp Shooter, who produced TCC Houdini, who would've been 100" TTT if not for his untimely passing. She has an incredible twist that has already rolled over once, which at just 3.5 years old is a feat in itself. With her genetics being a complete outcross to anything Rio, Tuff, Fifty-Fifty, she's truly a foundation animal that's bred to outproduce herself with every bull she's with. I have her bred to LBR Thunderstruck, who's a monster grandson to Rebel HR and BL Swahili. who is one of the best producers on Loomis's Ranch.

BREEDING INFORMATION: Bull calf born 1/18/2024, sired by Hubbells 20 Gauge. Exposed to Cool Hand Luke Chex from 1/19/2024 to 5/1/2024.

COMMENTS: OCV'd. Riverforks Guess Who is consigned to the Glendenning Fiesta Sale and is an excellent 3-in-1 package. Her bull calf at side is sired by our two time bull of the year and undefeated futurity winner Hubbells 20 Gauge. Riverforks is exposed to award winning super bull Cool Hand Luke Chex for a pedigree stacked baby that will be double bred Cowboy Tuff Chex and include M.C. Hangin' Tuff, Bubba Tuff Chex, Drag Iron and Rebel HR. Cool Hand Luke Chex progeny are only offered at the Glendenning Fiesta Sale! Riverforks has been a pleasure to own and is an excellent mother, calm and gentle natured.

BREEDING INFORMATION: Exposed to Cut'N Dried from 8/21/2023 to 2/15/2024.

COMMENTS: OCV'd. Tuff Smirk comes from the magic breeding of Cowboy Tuff Chex over Drag Iron daughters. On the bottom side she brings in the consistency of her dam, Dragon Smile. Her brothers and sisters are some of the best in the breed, including Saddle Jewel, Wheels Up and 50 Smiles, to name a few. She's young and well on her way to 90"+ TTT. She can hold her own and stand out in any breeding program. She has been exposed to Cut'N Dried for a Summer 2024 calf.

BREEDING INFORMATION: Confirmed bred to LTL Vin's Maverick by ultrasound on 11/7/2023 for a June 2024 calf.

COMMENTS: OCV'd. This Fifty-Fifty BCB daughter is everything you want in a cow! She's correct, colorful, great mama and milker and has 97.25" TTT of horn, with 110.5" TH. She's the complete package! Her dam, Horseshoe J Joyous, is out of the heart of Jimmy Jones' program. She's confirmed bred to a WS Vindicator son, LTL Vin's Maverick, due for a June calf. Maverick measured 83.125" TTT at 3.5 years old. We are retaining a bull out of Magnificent as a herd sire to multiply her line within our program. She had a daughter that sold for \$36k at the Legacy Sale! Mags is easy to work, is docile and has a sweet disposition! We're bringing our very best cow to this Fiesta Sale!

She has all the attributes of a foundation female: great milking ability, a big body, calm demeanor, pedigree consisting of mega producers and a proven production record. BREEDING INFORMATION: Heifer calf at side sired by Cherokee HR

COMMENTS: OCV'd. Helm Fantasy 901's pedigree is really a unique blend of powerful and productive long, twisty-horned genetics. Her sire, Big League, is a grandson of Cowboy Tuff Chex, who remains the longest TTT herd sire in the breed, but along with mega horn, Big League has more maternal twist in his pedigree than a "Philadelphia Pretzel Factory." Her dam, Helm Fantasia, has 103"+ TTT of tight twist and has produced four elite living daughters alongside of this beautiful girl. Fantasy has great conformation, great udder, and great horn direction with length for herd success. Great maternal outcross genetic line goes back to the great SL Selena's Ace, who brought nearly \$40k in public auction years ago. Fantasy is bred to Cherokee HR, sired by Rebel HR and out of Shy Iron, who's a 95"+ TTT Drag Iron daughter!

BREEDING INFORMATION: Confirmed 3 months bred on 12/15/2023 to LM Dani Boy.

COMMENTS: OCV'd. Looking for over 82" of tight twist wrapped up into a beautiful Hubbells 20 Gauge daughter? Red Rose's Crown offers a chance to get your hands on the highly sought after 20 Gauge genetics who is a son of the late-great Concealed Weapon. Throw in other greats like ZD Kelly and WS Jamakizm and you'll see she didn't happen by chance. She has the genetic package to pair with any of the hot bulls today as a complete outcross on those genetics. Here is where it gets fun! I have her bred to Dani Boy LM, who's a son of TCC Dani. Dani is the 100" TTT daughter of the \$380k 3S Danica! These genetics are so hard to get into your herd. That's multiple 100" TTT animals mixed in with a pedigree that's known for generations for their ability to produce. This is going to be a dynamite package!

COMMENTS: OCV'd. Cold Copper Ranch studied hard when selecting a consignment for the Glendenning's 1st Fiesta Sale! We wanted to consign something special and different and truly believe the new owners of Impressive Bar will love her as much as we do. Everyone who visits the ranch gravitates to Impressive Bar for her femininity, correctness, 80"+ TTT, her production record and her unique color! BREEDING INFORMATION: Exposed to CATCH from 9/16/2023 to 12/20/2023 and Cherokee HR (Rebel HR x Shy Iron, a 96" TTT Drag Iron daughter) from 1/18/2024 to sale date.

COMMENTS: OCV'd. We were asked to bring one of our best and we did. Dunn Did It is a brindled, big-bodied, correct daughter of the legendary Cowboy Catchit Chex, who's a full brother to 106" TTT Cowboy Tuff Chex. On the maternal side, she goes back to Fifty-Fifty BCB, several of Jimmy Jones' Horseshoe J cows and to Senator. She's an easy keeper and good mother. She could be a foundation cow for any herd. This is a difficult one to let go. Exposed to CATCH from 9/16/2023 to 12/20/2023 and to Cherokee HR (Rebel HR x Shy Iron, a 96" TTT Drag Iron daughter) from 1/18/2024 to the sale date.

BREEDING INFORMATION: Confirmed bred by ultrasound to Spoke Fit and it's a HEIFER!

COMMENTS: OCV'd. If you love twist genetics you should pause and look at this Jimmy Jones bred cow really closely! She is a total package cow with color, body, twist, fertility and milking all in one. Her dam, Horseshoe J Fancy Pants, is the dam of Horseshoe J Important, who was over 90" TTT before passing and the producer of Horseshoe J Journey, the 2023 Ultimate Cow. Priority has been confirmed bred by ultrasound and she will give her new owners a beautiful 2024 heifer baby, sired by a young solid black bull, Spoke Fit, a son of Spokesman, owned by Diamond B Longhorns. He measured 70.5" TTT at 26 months after breaking off 4" on one horn so do the math on that. Happy bidding!

BREEDING INFORMATION: Exposed to PCC Cactus Jack from 10/15/2023 to 12/3/2023. Confirmed bred for an August 2024 calf.

COMMENTS: OCV'd; John's Negative. This young Rebel HR daughter has it all- color, conformation, fertility and pleasant disposition topping it all off with a straight, lateral horn set that extends into the mid 70" TTT as a 3-year-old. She has given us a BR Cracker Jack heifer calf with an identical low, flat horn set that we are keeping as her replacement. The best news is that she's confirmed bred to PCC Cactus Jack (87" TTT at 3.2 years old). Cactus Jack was the Grand Champion bull at the 2023 Herdsman Legends and the Ultimate Bull at the TLBAA HSC. That calf should be spectacular. Go to www.GillilandRanch.com for more information.

BREEDING INFORMATION: Exposed to GF Buck Winn from 5/23/2023 to 12/5/2023.

COMMENTS: OCV'd. LAST LOT, but not least! DH April Fools is an own daughter of the 86.75" TTT 2017 Ultimate Bull, Rowdy HR. She is a big-bodied, beautiful cow with color, horns, conformation and stacked with some great genetics going back to Bandera Chex on the bottom. April is an easy keeper, a great mama and a true front pasture cow. She is bred to GF Buck Winn, the almost 90" TTT son sired by the 90" TTT Drag Iron and out of a fantastic JP Rio Grande daughter, RRR Miss Red Rose. If we didn't have April's 2022 heifer out of GF Buck Winn as a replacement, she would be staying at GF. Her horn measurements will be announced at sale time.
